

2024 ANNUAL MEETING NEWSLETTER

WISCONSIN BROWN SWISS ASSOCIATION

Annual Meeting NOTICE

Notice is hereby given that the 108th Annual Meeting of the adult and junior members of the Wisconsin Brown Swiss Association will be held at the [Clarion Hotel & Suites-Wintergreen Conference Center, 60 Gasser Rd, Wisconsin Dells, WI](#) at 1:00 p.m. on Saturday, March 2, 2024 for the purpose of transacting any and all business that may come before the meeting and the election of officers.

President's Message— What I have learned as President.

Time has passed quickly on my four years as your Wisconsin Brown Swiss President. In March of 2020, I remember telling the group the day I was elected that I understood the legacy of the leaders of this great association. I was ready to take it on. But, I had no idea our world was sitting on the brink of a global pandemic that would upend every regular activity that we count on in our yearly rhythm of life. World Dairy Expo cancelled. State Fair shuttered. State Show and Annual Meeting rescheduled and moved and adapted as we navigated a post-COVID world. It was a wild ride. As I reflect on those four years of working alongside our board and association members, I'm proud of the opportunities we provided during a difficult time, and the financial solvency we maintained through all that. How'd we do it? There are a few things that really stand out to me.

1. Our association is only as strong as the willingness of you to give to it. This association runs on passion for Brown Swiss and a little bit of money. That's it. And that little bit of money mostly comes from the willingness of breeders to give of their time, their talent, or their connections to make a difference for everyone. Whether you've made a fun auction item, worked on a state show committee, or made a call to a sponsor that you knew, it all makes a difference! Thank you for believing and supporting the association.
2. We have the best junior association in the country. I believe that is true because we have great parents and the best junior advisor in the country. Heidi Heller was the youngest winner of the Distinguished Service Award we've ever had, and she's also the most deserving. She exemplifies everything that makes our association work so well. Results like this don't happen on accident, but she needs more people willing to help her.
3. We need more support. Every year costs continue to rise for everything we do. Hotels, food, fairgrounds - it's all going up. We also have people who just point out flaws or complain about the activities we do, and that's hard, too. The only way we can keep events like State Show, Annual Meeting, or junior activities affordable is through volunteers and sponsors. This summer, our National Convention is in Green Bay. If you've not volunteered or supported WI Brown Swiss recently, make National Convention the reason you start (or restart) so that we can showcase our members, our cows and our state to convention goers who come to Celebrate Swissconsin! Thank you for the opportunity to serve as your President these past four years. An extra thanks to Barb Muenzenberger for her diligent service of our organization, and for helping me keep it together! I look forward to continuing to help our breed and association grow!

2024 EXPO REPORT

Happy New Year Wisconsin Brown Swiss members! World Dairy Expo has hit their stride once again with strong numbers of cattle housed at 2571, and 374 of those shown in the International Brown Swiss show. The World Premier Brown Swiss Sale averaged \$5649 on 41 lots, which demonstrates a big demand for Brown Swiss. Congratulations to Wisconsin's very own Norman C. Magnusson on being named the 2023 A.C. "Whitie" Thomson Memorial Award recipient! Norm also serves as our Executive Secretary for the National Brown Swiss Association. Wisconsin is chock full of quality Brown Swiss cattle and people. Intermediate Champion of the show was Topp B-3 Woodford, also Grand Champion of our state show, owned by the Hushon Family and Topp View. The Junior Champion of the Open Show also came from Wisconsin, owned by Siemers Holsteins, she is a Fall Calf Jenlar Rasta Westlynn ETV. Expo has been making some adjustments the past couple of years, to allow for more show ring space to avoid "stacking" of animals, and for judges to get a fair look at each animal. Additionally, there is an effort to avoid very late show conclusions, so the show schedule was shifted a little and start times were moved up just a bit. All in all, the changes were a success. There was little to no "stacking" of animals in the show rings, and shows wrapped up at more reasonable times. For WDE 2024, all show days will be begin at 7am. Your Brown Swiss judges for 2024 will be Phillip Topp and Associate Kaleb Kruse. World Dairy Expo 2024 "The Golden Age" will be October 1st – 4th. Expo would love your feedback on how they can continue to improve in all aspects of the event. Please forward any questions, suggestions, or concerns and I will share those with the board.

Kind Regards,
Jennifer Meyer

NATIONAL DIRECTOR UPDATE

Greetings All,

Early discount sign-up for the BSA program is due to the office by January 31. This is a great way to save money on registrations, classification, receive genetic summaries and the Brown Swiss Bulletin. This package deal definitely saves over ala carte fees through out the year! (see attached pdf for form).

The Board met in December in person in Beloit. Some of the highlights for your knowledge:

- No fee increases in 2024
- There is an initiative started to change how embryo transfers are handled and ET calves are registered, planning to implement in 2025
- Ayrshire has caught up on all financial obligations owed to the Brown Swiss Association
- If you have an outstanding balance, please try to catch that up so your work can be processed
- I'm fairly certain the Wisconsin Spring Showcase Show will be an All American qualifying show for 2024!
-

Wisconsin fared well in the All American contest. Total nominations into the Office for 2023 was nearly identical to 2022, and all classes had at least 6 entries.

With the new judges list, there were nearly 70 individuals that applied. The prior list had 99 names.

Have you checked out the Brown Swiss website www.brownswissusa.com? It was redesigned over the summer, and should be easier to navigate and find the forms/information you are looking for!

As always, please reach out with concerns, ideas, and suggestions. The Board meets virtually on the first Thursday of every month.

Thank you,

Laurie

JUNIOR REPORT

Greetings from the Juniors!

The Wisconsin Brown Swiss Junior Association hopes everyone is off to a great start in the New Year! Our juniors had a fun-filled year and are excited to see what 2024 brings. Here is a quick recap from 2023:

Our juniors had a productive state meeting held at the 2023 Wisconsin Brown Swiss Convention and were also able to socialize with each other and our Wisconsin Brown Swiss breeders, and have a little fun. The current officer team was elected and consists of Brianna Meyer as the President, Matthew Thompson as the Vice President, Abby Meyer as the Secretary, and Shelby Knoble as the Reporter and Brown Swiss Queen.

The juniors once again had an impressive year in the show ring, spanning from the Midwest National Spring Showcase, Midwest Quality Colors Show, various Canton Shows, State Show held at State Fair, and of course World Dairy Expo. All of the juniors represented Wisconsin very well with many high placings in both the heifer and cow shows. Congratulations to all exhibitors! The results from World Dairy Expo were shared on our Wisconsin Brown Swiss Juniors Facebook page if you would like to revisit these impressive placings. In addition to show placings, we are very proud of all of our juniors who participated in showmanship and fitting contests as well this past year. We are very happy to see you all improving your skills and continuing to learn and grow. Now we are eagerly anticipating the 2024 show season and can't wait to see what this year will bring!

We invite all juniors to attend the 2024 Wisconsin State Brown Swiss Convention in Wisconsin Dells, March 1-2. At convention, there will be our annual junior fun night planned by the officers, Youth Fun Auction with proceeds to support our yearly activities and awards, and also our annual business meeting. We are always open to new ideas, and new members as well! If you aren't currently a junior member, we strongly encourage you to register to become one for only \$5, and allow yourself to join the camaraderie and fun shared by our junior members, who all hold the same passion for the Brown Swiss cow! We can't wait to reconnect at State Convention, and kick off another successful year!

Additionally, the State of Wisconsin is thrilled to be hosting the 2024 National Brown Swiss Convention, being held July 3-6 at the Hyatt Regency Hotel in Green Bay. This is a very exciting event for our juniors as we will be able to network with other Brown Swiss Juniors and breeders from across the country! A National Junior Heifer Show will be held at the Brown County Fairgrounds on July 4, and we hope all of you will be able to attend this incredible show which we are lucky to have right here in our home state. In addition to the show, we will be hosting picture and arts & crafts contests for the juniors to show off their skills and have the option for a junior tour fun day followed by the awards banquet and dance!

2024 is filled with many exciting opportunities for our juniors to stay involved and continue learning and growing. If anyone has any questions, requests, or new ideas for the officer team, please reach out to one of us so we can help with anything you need!

Brianna Meyer, President Wisconsin Junior Brown Swiss Association 2024

2023 WISCONSIN BROWN SWISS QUEEN

As this year comes to an end of serving as the 2023 Wisconsin Brown Swiss Queen, I am thankful to have this opportunity to represent the Brown Swiss Association. Throughout my year as Queen I have traveled to many State, Canton and County fairs. Where I was able to show the public how much this breed means to me and what the dairy industry does for us. The best thing I could take away from this year as queen is the opportunity I had to meet so many new people from all over the state, and to educate the youth and to get more juniors within our association. Serving as the queen has allowed me to gain more knowledge about the dairy industry, meet new people, and make memories that will last a lifetime. Thank you to the Brown Swiss Association for giving me this opportunity and trying new things!

Your 2023 Wisconsin Brown Swiss Queen,

Shelby Knoble
